

## JEUNESSE GLOBAL GROUP LTD

# Now You can Look Youthful, Live Healthily & Embrace Life

Market applause for entrepreneurial JEUNESSE GLOBAL GROUP LTD is well deserved as the Group serves its discerning markets with cutting edge, tried and tested products that enhance and rejuvenate the body as well as uplift the soul.

**J**eunesse began in the hearts and minds of visionaries Randy Ray and Wendy Lewis. Having achieved tremendous success in other enterprises, Randy and Wendy emerged from retirement to launch Jeunesse on September 09, 2009 at 9:00 p.m. The number 9, which represents longevity, reflected the founders' desire to not only survive, but thrive.

"Eager to share their revolutionary youth enhancement products with the world, Randy and Wendy set out to create one of the most rewarding compensation plans in the direct selling industry. The result: a cutting-edge, global platform that has harnessed the power of technology to share innovative products, training and support," says Vincent Chow, General Manager of the brand's Hong Kong office.

"Today, thousands of people around the world are helping to write our story. Together we are creating a global movement that empowers people to reach their full potential — no matter their age, race, rank or income," Chow says.

### People-powered Brand

Jeunesse is far from the same old story of skin care and supplements. "We are not the same old network model. Jeunesse is a global business that helps people reach their full potential in youthful looks, in healthy living, in embracing life," says Chow.

Jeunesse combines breakthrough sciences in a product system that enhances youth by working at the cellular level. By focusing on the health, longevity, and renewal of cells. We help people enjoy vibrant, youthful results that last."

"Also, our Financial Rewards Plan is

Randy Ray, Founder - CEO

one of the most competitive compensation plans in the industry. Our distributors can generate income in six different ways, earn luxury travel rewards and climb 15 prestigious achievement ranks."

"Jeunesse delivers the rewards of youth in four innovative ways:

- **Products:** The Jeunesse Youth Enhancement System (Y.E.S.) isn't just about looking young. It's about feeling young for the long term. Even the sciences we employ are new and cutting edge. Our best-of-the-best formulas are innovative, and the youthful results are real.
- **People:** Jeunesse shares an emotional reward no networking company can match. The culture of Jeunesse springs from the integrity and core values of our Founders. As a result, our global family of distributors experience rewarding relationships based on mutual respect, trust, and love.
- **Plan:** With one of the most lucrative and truly balanced compensation plans around, the Jeunesse Financial Rewards Plan can reward more people with more money. And with the plentiful incentives and built-in travel promotions that are our way of doing business, the Jeunesse culture is in itself a rewarding lifestyle.
- **Platform:** Jeunesse doesn't settle for

traditional network marketing strategies. We embrace the technology generation with a cutting-edge platform distributors love."

"Our target is to improve our customer service and the logistics arrangement so that our quality-service can fulfill the high expectation of our customers."

### Growing to Serve

Speaking on the brand's expansion, Chow says, "we expanded our Hong Kong office in Aug 2016. We have three new lecture rooms with a capacity for more than 300 people, more space for communication area, a modernized display area and a larger corporate office. We are going to setup the Macau branch in the coming future. More staff and stronger corporate team will be expected for the best service provided."

"We are a young MLM company and we are always striving for improvement. Our collective mission is to change people's lives while making Jeunesse a household, world-renowned brand. We place tremendous pride in our distributors, who are well established all over the globe. Our distributors mean everything to us because they're family. And that's why we have our slogan "One Team, One Family, One Jeunesse". ■
