Choice for All Seasons

Creativity knows no bounds with restaurants of the MHI Group.

We present a brief stop at three of the Group's popular restaurants that serve good wholesome fare with an ambience well worth returning to.

Akita Teppanyaki is a definite choice for those wanting elegant Japanese settings, freshly cooked food and a truly satisfying culinary experience. We were treated to a succulent Grade A5 Kobe Thick-out Steak and Live Jumbo Black Skirt Abalone on the Half Shell. The restaurant is an ideal choice for small parties and their private rooms are great for private family or corporate dinners.

Casual Elegance

Our next stop was the 8 Fine Irishmen Pub. Tastefully decorated, it does offer bar fare with a twist. We tried the Key-West Fish Burger deep-fried fish fillet with tomato, lettuce & lime mayonnaise, toasted sesame bun. Exquisite. The Seafood Chowder presented an array of ocean fresh seafood in rich cream and prime fish broth. Sitting with friends and enjoying an evening, this would be a perfect spot. The ambience is just right, the fare wholesome and unpretentious and the prices, reasonable.

Exclusive as You Are

Next we found ourselves in the Q Club, enjoying Truffle Oysters -- Sautéed

sun-smoked oysters with leek silvers and scrambled eggs drizzled with truffle infused olive oil. We also tried the Seared Foie Gras pan-seared fresh goose-livers atop mini toast with apple sauce complimented with frisée lettuce salad, pomegranate vinaigrette.

Ideal for private parties, closed functions and when you need that exclusive touch to lend a perfect finish to that special party.

The Group has a wide range of top quality restaurants and cater to a wide range of occasions from private diners for two to parties of all sizes. The emphasis is on attracting quality customers who want fine dining within a private, elegant and exclusive setting. ■
