

## SIBU ISLAND RESORT

# Old World Charm, New World Vision!

Few islands have the lure that Sibu Island Resort, in Johor Malaysia offers. An unexplored trove of opportunity, the resort should be seen to be believed.

**LATIFF SAHAT:** "We are well priced and offer value for money and our product has a uniqueness that new resorts can rival."

If you enjoy the wild, prepare to be amazed at the Sibu Island Resort, Johor Malaysia. From the approach by ferry, James Bond style, to the absolutely thrilling views of deer ambling in the foreground of the lobby, first appearances are indeed captivating.

The Resort itself is a picturesque getaway, with turquoise waters and white sandy beaches. Quality of accommodation is fair, but then again, it's the sort of resort you want more of the outdoors of. Guests rather enjoy a game of tennis, or a beach stroll or even a tour around the island.

The fascination of being in the wild with deer, peacocks and rabbits all romping around you (and the kids) brings a rare thrill that's not easily found in resorts of this caliber.

### **Built to Amaze**

"The beauty of the Sibu Island Resort is its flexibility and adaptability, says Latiff Sahat its General Manager. "We have a great 'can-do' attitude and all you need do is tell us what you wish to have achieved here and we will do our best."

The resort is used by leading brands for promotions, getaways, corporate meetings and holidays. Weather permitting, Sibu Island can be a sheer paradise sitting as it does like a huge emerald floating in the blue waters.

"We have accommodation to suit most budgets and our guests love the concept of being able to enjoy the best of Johor food and hospitality in the tranquility of a well run resort," says Sahat.

“We have an increasing number of Hong Kong guests and get great referrals from those who have visited us. We see huge potential in the Mainland China market and that’s why we are increasing our marketing efforts there. We are well priced and offer value for money and our product has a uniqueness that new resorts can rival. We attract guests from all around the world because today’s visitors to Asia want to enjoy local flavour. They want that wild, untamed experience yet all the first world amenities they are accustomed to. Sibui Island has to be experienced to be believed so I invite all your readers to visit our website (see below) and take that first step to an unforgettable holiday that will live on in memory forever.” ■
